

St. Wendelin High School

Activities

Drama Club

This activity is open to all students in grades nine through twelve.

- Play rehearsals are held at 7:00 AM for six to eight weeks, and from 6:00-9:00 PM during the week of the production, plus some Saturday and weekday evenings for technical and musical aspects.

- The Drama Club puts on two theater productions each year, a comedy or drama and a musical.

- Special requirements include dedication, learning lines and character actions, and a willingness to work on a technical or production crew. Participants must be willing to work and support other students.

- Participating in both of the year's productions, any fundraiser, and attending Drama Club meetings earns a SWHS drama letter or theater pin.

- There is a Special Spotlight Award(s) presented to the most active person(s) in theatre during the whole year.

- There are Drama Club Parties/Picnics at the beginning and end of school year, and also the last night of each production
