

Homework Grade 7 Lang Arts
Assigned 10-29-09
Due 11-2-09

Every junior high has discipline problems. Think about discipline problems you already have experienced at your school. Pick one problem and think about solutions to that problem. Now write a letter to your principal to propose your solutions. Be sure to state the problem in your first paragraph of your letter. Your solutions will go in the second paragraph. Use the correct headings, greeting, and closing for a business letter.
