

Welcome to St. Wendelin Catholic School

Dear Friend,

Thank you for considering St. Wendelin Catholic School. We pride ourselves in cooperating with our parents in the education and formation of their sons and daughters. We recognize that parents are the primary educators. We also realize that we have the expertise to augment the home education with the more demanding, specialized education called for in our modern society. Our history speaks for itself and we continue to be affirmed by our present families. You are invited to read, visit, and learn why we believe St. Wendelin Catholic School offers the best education for your child.

Catholic education, by its origins and sponsorship, represents the permanent and authentic gift of Christian faith. It offers proven teaching methods and perennial discipline for growing children. But St. Wendelin Catholic School also offers an evolving environment in a rapidly changing world. We are constantly updating our curriculum and fostering new methods of processing knowledge. We are a living and lively, safe and happy place to grow and learn.

Our educational services take into account the whole person who is our student. With this in mind, we offer a full spectrum of social, athletic and cultural activities to meet the needs of our families.

Our purpose is always to educate in virtue and knowledge based upon the teaching of Christ and the 2000 year tradition of Catholic Education. We want to nurture Disciples of Christ who will change this world to reflect the Kingdom of God ideals.

God blesses and gifts us every day.
