Mission Statement

St. Wendelin Schools exist to continue the ministry of Jesus Christ.

Striving to live as Jesus did, we share our gifts as a faith community at St. Wendelin Schools among parents, staff, and students. Above all, and in every way, we aim to instill into them a love of knowledge, an appreciation of the dignity of the human person, and a reverence for truth.

Recognizing that education is one of the most important ways by which the faith community fulfills its commitment to the dignity of the human person and the building of community, we work to develop a feeling of confidence, self-esteem, and self-worth in our students, so as to enable them to create and attempt new things for the good of society.

Quality teaching as the basis for quality education is our aim, and we announce by our teaching and our lives that Christ is in our midst and will one day share His glory with us.
